

Work With Us @ Tomahawks

We are always looking to add f.o.h, kitchen & cocktail bar staff to the team. We have multiple venues & various opportunities. Management, casual or full time positions available. One or two days, shifts or evenings a week if thats what suits? We're ultimately just looking for good people. Experience is a bonus but not essential. We've got great systems & happy to teach. Great pay, awesome team & a work place you can really be proud of. So if you're looking for a change, to start your hospitality career or take it to the next level then please reach out!
